

HIRE-CONTRACT for leasing of boat/motor

Party to contract:

Name and address of lessor: Esjeholmenferiehus

Name and address of lessee:

Leased property boat :

The boat concerned has the Registration No. : Hansvik 17, with the corresponding motor: 25hp Suzuki
and additional fittings: paddle,boathook,rope and anchor

The fuel-tank has to be completely filled at receiving as well as at return.

Duration of lease:

The boat / the motor will be leased for the duration from _____ to _____.

Rental fee (excl. fuel):

The rental fee for the boat is: NOK 2500,- per week the boat is in use.

The rental fee is due at the end of you stay. The use of boat/motor is only allowed after the completion of this contract and the deposit is received.

Deposit

Prior to the use of the boat the renter has to leave an additional deposit to the owner of 2000,- NOK. In case of timely return of the boat (boat, motor, fittings intact, clean and in adequate condition) the deposit will be returned completely.

Damages/defects etc.

The renter agrees to return boat, motor and fittings in the same condition as received. The leaser is responsible, that boat, motor and fittings are available at the beginning of the leasing period. If damages or defects appear with boat, motor or fittings during the renting period, the renter will be made responsible for this. Costs for repairs and/or of spare parts for those damages/defects will be charged to the renter by subtracting them from the deposit. If the costs for the damage/defect exceed the deposit, the renter will be liable to reimburse the leaser on the scene.

Additional information

The use of the boat, motor and fittings by the renter will be at own responsibility and risk. The leaser will not be liable for damages on persons or equipment, which are caused through using by the renter. The renter confirms that he is aware of the valid Regulations of Shipping and he will behave accordingly.

This contract has been drawn up in two copies. Each party of contract will receive one copy.
